Office of the District Magistrate,

Kolar District.

Dated Kolar, the 15th March 1920.

DIARY NO. 16026

From,

Md. Zahiruddin Mecci, Esquire, B,A.,

District Magistrate, Kolar District.

To

C. S. Balasundaram Iyer, Esquire, B.A.,

Chief Secretary to the Government of Mysore,

Bangalore.

Sir,

I have the honor to bring to your notice that on the 2nd ultimo, one Muniamma, daughter of Rajappa, a resident of Kuppam (His Majesty's Territory) was detained by the Bowringpet Railway Police (British) at the instance of the Inspector of Police, Bowringpet and found to be carrying a gunny bag containing 32 seers of broken rice, which she was conveying to Kuppam by train without a license. The Superintendent of Police Kolar Gold Fields recommended the prosecution of the woman for an offence under Rule 6 of Section 2 of the Defence of India Regulation and Government Notification No.G. 17458/P.P. 134-18 dated the 15th February 1919, and the prosecution was sanctioned on the 20th February 1920.

2. The Special Magistrate, Kolar Gold Fields, before whom the prosecution report was placed, is reported to have refused to accept it on the ground that he has no jurisdiction over the British Railway premises. The British Railway Police also seem to have declined to take any action in the case. It is feared that the Police do not seem to have offered any further evidence than that the accused was found in the train. It was their duty to have offered evidence as to whence she got into the train. If as it seems to me she got into the Railway Premises and thence into the train from some place in the Bowringpet Taluk limits, she is clearly liable and the Special Magistrate has the jurisdiction over such a case. I have therefore called for a further report from the District Superintendent

of Police, Kolar Gold Fields and pointed out the defective and incomplete ~~return~~ nature of the investigation.

If however the Police should fail to secure the evidence above referred to, it seems to me that there is no other alternative than to drop further proceedings in the case against the woman.

3. The matter however appears to be of considerable importance and raises the general question of the check of goods waggons at Frontier Stations.

4. In these circumstances, I request early instructions as to what action the Police are to take ~~of~~ if any contraband articles are found in goods waggons at Bisanatham and other frontier stations. The matter may kindly be regarded as urgent.

Sir,

With reference to your letter No. G.22153/P.P. 26-19-123 dated 26th instant, forwarding for my remarks a copy of letter No. R.J.C.519 of the 15th idem from the District Magistrate Kolar, regarding the action to be taken by the police if contraband foodstuffs are found in goods waggons at frontier stations, I have the honor to state that the offence in respect of such goods consists in exporting them from Mysore territory. As the goods must necessarily have been taken from outside railway lands it is obvious that the offence is committed in Mysore territory and it is complete when it is taken to the railway station for being booked. The police can have no difficulty in procuring evidence to show that the goods have been brought from Mysore territory and booked by the railway. The railway company has so far raised no objection to such goods being detained by the police.
